Assignment Guide

Task: Writing the Study Framework (Draft 1)

Instructions:

1. Revise the theoretical, conceptual, and operational frameworks of your study according to the comments given during the consultations.
2. Write the Study Framework chapter of your research problem/topic. This chapter contains the following sections:
 - Theoretical Framework
 - Conceptual Framework
 - Operational Framework
 - Statement of Hypotheses (for quantitative research)
 - Operational Definition of Terms
3. The minimum number of pages is 7.

Deadline: consult the class writing calendar
