SURG 251: END OF ROTATION PEER EVALUATION (GRADED)

Category	Poor (P)	Satisfactory (S)	Good (G)	Very Good (VG)
Participation	Rarely focuses on the task and lets others do the work; does not participate.	On task, some of the time. Must be reminded to stay on task by group.	Focuses on task and can be counted on to complete the assigned work within the group.	Self-directed and consistently focuses on the task and what needs to be done.
Dependability	Late or misses deadlines for turning in assigned work. Depends on others to do all work. Frequently misses class.	Sometimes late turning in assignments and misses deadlines.	Completes most tasks and is a productive member of the group.	Turns all work in on time and does not depend on others to do or complete work.
Listening and Discussing	Does not pay attention in group. Argues or otherwise misuses time. Not willing to compromise.	Has difficulty listening and participating in a positive manner.	Respectfully listens, contributes and cooperates with others in the group.	Respectfully listens, interacts, cooperates, and helps the group come up with positive ideas.
Research and Information Sharing	Rarely provides any information for the group. Lack of research contribution.	Sometimes provides useful ideas but often neglects research for the group.	Usually gives useful ideas and completes required research.	Routinely completes research, gathers information, and shares with the group.

Directions: Please rate each parameter as objectively and honestly as possible. Consider your peer's involvement and participation in the group activities during your whole rotation. The scale is a descriptive rating scale. Please cross (X) the box corresponding to the behavior exhibited by your peer. Use the table above as a guide.
