SUBJECT: Submission Cut-Off for December 2022

Please be advised of the following cut-off dates for all 2022 submissions to all UPMREB Review Panels, in view of the forthcoming Christmas break:

- 07 December 2022 for the last day of screening applications
- 09 December 2022 for the last day of receiving submissions

These deadlines refer to electronic submissions and note that only received submissions will be processed for inclusion in the January 2023 full board meetings and for expedited review action due in the first week of January 2023. The deadlines are being implemented to provide for ample time to process the submissions before the holiday break.

Note that protocols received until 09 December 2022, which are for Full Board Review will be decked as follows:

- 05 January 2023 (Panel 1)
- 17 January 2023 (Panel 2)
- 23 January 2023 (Panel 3), for PGH Residents and Fellows
- 12 January 2023 (Panel 4), for PGH Residents and Fellows

You may refer to the UPMREB website accessible at www.reb.upm.edu.ph/node/91 for further details on panel assignment based on date of submission.

For information and guidance of all concerned.
