

Submission of the Second Draft of the Proposal

Deadline: 5 January 2024

Preparation and submission

1. Highlight your revisions by using a font color other than black and red.
2. Submit the required documents following the given filename formats and file types
 - Required document: Draft 2 of the proposal only
 - Filename: OC199_PROPOSAL2_SURNAME.INITIALS
 - File type: MS Word and PDF
3. Submit your files to the submission bin: submittomiciano@gmail.com.

Grading

1. *Breakdown.* As shown in our course guide, proposal drafts 1 and 2 make up 80% of your grade. This is further broken down as follows:

Draft 1:	40%
Draft 2:	40%

I argue that an even breakdown [a] allows a good chance to pull up your initial grade (if the revision so warrants) and [b] credits the independent work you put in at the first draft round.
2. *No grade lower than the draft 1 grade:* Revising does not guarantee a higher grade for draft 2; only revisions that deserve a higher mark will get it. However, I do guarantee that you will not be given a lower grade than what you got for draft 1.
