During the Examination

1. You are not allowed to communicate by any means with other students or people.
2. You are not allowed to copy and/or record any part of the exam.
3. Should you need anything or have any urgent concerns or queries during the exam, prompt the assigned proctor by raising your hand.
4. Read and follow instructions.
5. Using Pencil No. 2, fully shade the letter of your answer. Answers that are not recognized by the Scantron will not be considered.
6. Shade the corresponding set of the examination questionnaire given to you (A or B).
7. Avoid erasures and leaving unnecessary marks in your answer sheet.
8. University of the Philippines and/or College of Nursing rules apply on issues of misconduct and/or academic/intellectual dishonesty, cheating, etc.

After the Examination

1. To reiterate, the examination should be done within 2.0 hours. You may finish the examination at an earlier time.
2. After answering all items of the exam, put your answer sheet along with the exam questions and extra papers inside your folder.
3. Feedback and review of the exam will be scheduled at a later date. You are still NOT ALLOWED to copy and/or record any part of the exam. Issues of misconduct and/or academic/intellectual dishonesty will be dealt with according to UP and/or UPCN rules and regulations.
