Second Semester, AY 2023 - 2024

Learning Contract

I am taking part in this learning contract because the strategies listed here will facilitate my knowledge and help me perform well in the course to achieve the expected course outcomes. This contract is in effect until the end of this semester. I am expected to complete the following actions:

- **Attendance:** I will attend the face-to-face sessions scheduled for the lecture, laboratory, and clinical duty, including related online plenary sessions as scheduled in the course guide or deemed necessary by the course faculty. If I will not be able to do so, I will inform, in writing, the course coordinator ahead of time, and will consider myself responsible for any of these missed sessions. I understand that I will be marked absent for these missed sessions.
- **Readings:** I will complete all the assigned readings.
- **Course Participation:** Given the hybrid mode of the course, I understand that I am expected to participate as well in the online discussion forums which simulate the class interaction. Thus, I will read the posts made by my group mates, I will contribute at least one post submission or as required, and comment on at least one post of my group mates in every discussion forum.
- **Study Activities and Assignments:** I will observe the study schedule assigned to the course. I will submit all the output/requirements expected of me on or before the scheduled due date.
- **Uniform:** I will attend course sessions (virtual or face-to-face) in the prescribed uniform based on the UPCN Uniform guidelines. I will ensure that I have the required laboratory and clinical materials or paraphernalia to ensure attainment of learning outcomes.
- **Course Help:** I will contact our course coordinator and/or faculty members through the course site, or any other means provided to us for questions and clarifications based on the faculty's consultation hours.

I understand that the current Academic Policies based on the **OVPAA Memo 2022-127** now applies. Further, I will abide by the **Acceptable Use Policy on IT Resources of the UP System (BOR, 2022)** and **OVPAA Memo 2020-105**. in using and accessing online resources including use of facilities within the IT system of UP.

Lastly, as a student at the University of the Philippines Manila, I pledge to act ethically and uphold the values of honor and excellence. I understand that suspected misconduct on given assignments and/or examinations will be reported to the appropriate office and if established, will result in disciplinary action in accordance with the University rules, policies, and procedures. I may work with others only to the extent allowed by the faculty.

I have reviewed and found acceptable the above learning contract.
