

Advanced Pathophysiology in Nursing (N204)
First Semester, AY 2024-2025

Pre-examination Reminders (First Long Examination)

This examination covers the concepts under Units 1 and 2. You have only 1 attempt at this quiz, and your score will account for 15% of your overall course grade.

- This is an independent quiz and you are NOT allowed to work with anyone or review any resources while answering.
- Please be mindful of the Academic Integrity Pledge that you affirmed prior to accessing this quiz.
- The total number of POINTS for this exam is 100 points (5 items True or False; 15 items Matching Type; 60 items Multiple Choice; 20 points for identification/short analysis)
- You have 100 minutes to take the exam.

Please follow these exam reminders before you begin:

1. **Clear your WORKSTATION.** Make sure that your workstation is free from any materials.
2. **Prepare your computer.** Ensure internet connectivity and do not use VPN.
3. **This will be a proctored examination.** Hence, you need to log-in to ZOOM (using your UP mail account) during the whole time you're taking the examination. The meeting link will open at **01:00 PM on October 08, 2024.**
 - Meeting link: <https://up-edu.zoom.us/j/93480159275>
 - Passcode: 99646403
4. Document your **browsing history.**
 - Close all your tabs and only leave the VLE tab on.
 - Go to Browser History and click 'Clear'
 - Take a screenshot of your full Browser history and save the image as 'SURNAME_Pre-Exam'
 - You will repeat this immediately after the exam and save the image as 'SURNAME_Post-Exam'. **You will submit both files at the end of your exam for your test score to be valid.**
5. Exam reminders:
 - Choose the BEST answer for multiple-choice questions.
 - You are only given ONE attempt for this 100-minute exam. The minimum pass level is 60%.
 - To enter the quiz, key in the following **password: N204FLE**
