N - 110: DISASTER NURSING
Mid-Year, AY 2024 - 2025

Learner's Contract

I am taking part in this learning contract because the strategies listed here will facilitate my knowledge and help me perform well in the course so as to achieve the expected course outcomes. This contract is in effect until **July 23, 2025**. I am expected to complete the following actions:

- **Attendance:** I will attend the face-to-face, synchronous and asynchronous sessions or similar plenary sessions (Lab sessions and Fieldwork) as scheduled in the course guide or deemed necessary by the course faculty. If I will not be able to do so, I will inform, in writing, the course coordinator ahead of time, and will consider myself responsible for any of these missed sessions. I am also aware that exceeding the maximum number of allowed absences will result in being dropped from the course.
- **Readings:** I will complete all the assigned readings.
- **Course Participation**: In all class sessions (face-to-face or online), I will actively participate, make significant contributions, and I will read the online posts made by my group mates, to which I will contribute at least one post submission and comment on at least one post of my group mates in every discussion forum.
- **Study Activities and Assignments**:   I will observe the study schedule assigned to the course. I will submit all the output/requirements expected of me on or before the scheduled due date. I understand there may be changes in schedule, thus, I will adjust accordingly.
- **Course Help**: I will contact our course coordinator and/or faculty facilitators through the course site, or any other means provided to us for questions and clarifications based on the faculty's consultation hours.

I understand that the current Academic Policies based on the OVPAA Memo 2022-127 now applies. Further, I will abide by the Acceptable Use Policy on IT Resources of the UP System (BOR, 2022) and OVPAA Memo 2020-105 in using and accessing online resources, according to the established principles for the responsible use of Artificial Intelligence (AI), including use of facilities within the IT system of UP.

Lastly, as a student of the University of the Philippines, I pledge to act ethically and uphold the values of honor and excellence. I understand that suspected misconduct on given assignments and/or examinations will be reported to the appropriate office and if established, will result in disciplinary actions in accordance with the University rules, policies and procedures. I may work with others only to the extent allowed by the Faculty.

I have reviewed and found acceptable the above learning contract.
